DĀLUME®

1" Continuum Linear LED - Recessed & Surface

APPLICATION

Indoor damp or dry locations only. Ideal for installation in both Walls and Ceilings in Modern minimalist spaces including Education, Retail Office Residential, and Hospitality.

DESCRIPTION

Slim and sleek LED system features low profile aluminum extrusion with white diffusing lens to deliver a pure shadow-free hotspot-free channel of light.

RECESSED MOUNTING W/ VISIBLE FLANGE

The **(RS)** system may be secured directly into walls and ceilings as thin as to 5/8" drywall without interference with structural joint studs. Perfect for New and Remodel Construction.

RECESSED MOUNTING W/SPACKLE FLANGE

The **(RV)** system may be secured directly into surfaces up to 1" inch thick with tool-free mounting clips for ease of installation and maintenance in New or Remodel Construction. Must allow 3" spacing with any type of insulation.

SURFACE MOUNTING

Equipped with screw in mounting clips onto any Structural surface **(S)**.

PERFORMANCE/OPTICS

3 LED lumen output packages available for various applications and multiple Color Temperature options. LED boards are protected from environmental dust and moisture with white snap-in lens.

REMOTE POWER SUPPLY

120-277V, or 347V input, 120V/277V MLV, 0-10V, DALI dimming protocols. Surface mount remote electrical enclosure with multiple knockouts & removable access plate for maintenance. Pre-wired In/Out wiring terminals for clean and easy installation. Recommended 75' or less distance to luminaire with 16 AWG wire. See Power Source Specifications for longer distances and other details. For recessed recessed enclosure, consult factory.

FINISHES

Standard interior color white. (Semi Gloss: Cardinal T007-WH121/RAL9003) white. For custom RAL colors **(CC)** are available, please specify RAL# or Cardinal Paint#

LISTING ETL /cETL listed to UL Standards for dry or damp locations.

WARRANTY 5-year factory warranty.

Made to order in USA.

DĀLUME®

1" Continuum Linear LED - Recessed & Surface

POWER SUPPLY SPECIFICATIONS

Surface mount remote electrical enclosure with input and output knock-outs and removable access plate for maintenance. Prewired Input and Output wiring terminals for clean and easy installation. Total weight 6 to 12lbs.

ELECTRICAL BOX SPECS

Remote LED Dimmable Drivers are class 2 rated and customly configured to operate with Dalume's 1" & 2" Continuum series lighting package. All Drivers equipped with Over voltage, Over temperature & Overload protection plus short circuit protection per UL8750.

For standard wiring please reference wiring diagram, for special circuit wiring, contact factory. Contact Factory for driver/wiring details.

0-10V ANALOG DIMMING

120-277V 50 - 60 (Hz) input, 1% dimming. -40 C to 45 C
 Operating Temp. EMI and RFI; Meets FCC part 15 (Class A)

120V/277V, MLV/INCANDESCENT 3WIRE DIMMING

120V 50Hz or 277V 60Hz input. -20 C to 45 C Operating Temp.
 For RGBW, DALI specifications, contact Factory. 1/2"

DEJ10

1 Driver Capacity / 1 Circuit Remote Enclosure:

Wall mount design includes removable covers fastened with plated steel screws with a unpainted 20 ga. steel finish. Knockouts included: (2) 1" K.O's

DEJ40

2-4 Driver Capacity / 2-4 Circuit Remote Enclosure:

NEMA 1 removable covers fastened with plated steel screws with a unpainted 16ga. steel enclos finish.

Knockouts included: (6) x 1/2" to 3/4" K.O's, (2) 3/4"-1" K.O's
